

## Which System to Adopt?

### Existing digital programs for Indigenous communities through digital platforms

- SLQ Indigenous Knowledge Centres
- Storylines
- Northern Territory Keeping Cultures
- Keeping Culture KMS

### Digital Platform for Language Revitalisation

#### **Miromaa**

Miromaa Aboriginal Language and Technology Centre - Using technology to reclaim, maintain and preserve our traditional languages.

Available at <https://www.miromaa.org.au/>

### Software to be used as Digital Keeping Places

#### **Mukurtu**

Mukurtu CMS is the free, mobile, and open source platform built with indigenous communities to manage and share digital cultural heritage.

Available at <https://mukurtu.org/>

#### **Keeping Culture KMS**

Keeping Culture KMS ® is the successor of the Ara Irititja KMS software developed for the Pitjantjatjara Council's Ara Irititja Project. The project commenced in 1994 with the aim of returning historical and cultural material to Anangu communities in the north-west corner of South Australia.

Available at <https://www.keepingculture.com/>

### For Museum Collections

#### **Omeka**

Omeka is a free, flexible, and open source web-publishing platform for the display of library, museum, archives, and scholarly collections and exhibitions.

Available at <https://omeka.org/>
